

HOME BANKING

Home Banking has become a staple for financial institutions. If your credit union is operating without it, you are operating at a distinct disadvantage to other credit unions. Consider INTECH for your Web-Based Banking Product – we've been providing Home Banking to credit unions since 1994.

- Fast, easy and convenient internet transactions for members
- Remote Deposit via third-party integration
- Expanded document image retrieval
- Enables smaller credit unions to rival the largest institutions in product offerings
- Affordable and part of our basic package
- Savings in administrative overhead and vendor fees
- Secure online solutions
